

## Kasbah Baha Baha Description of Rooms and Suites

## Authentic Rooms

The Kasbah Baha Baha counts **8** authentic rooms. All authentic rooms are located on the 1<sup>st</sup> and 2<sup>nd</sup> floors of the Kasbah overlooking the jug shaped pool or the garden. Spread over **20 m<sup>2</sup>** and traditionally decorated, they all feature two communicating rooms with a double bed and a single bed designed with braided palm leaves and locally woven wool blankets.

All authentic rooms have common bathrooms.

Washing hands with local traditional pottery are available in the rooms.

## Classic Rooms

The Kasbah Baha Baha counts **2** classic rooms. The classic rooms are spread over **16 m<sup>2</sup>**, have air conditioning and are located on the ground floor. They feature a double bed and an individual bed made with braided palm leaves and locally woven wool blankets as well as a private bathroom with Tadellakt.

## Duplex Suites

The Kasbah Baha Baha counts **4** Duplex Suites with air conditioning that are located on the ground floor in the center of the garden. They are spread over **25 m<sup>2</sup>** and combine elegance and Moroccan tradition.

The ground floor is composed of the master bedroom with a double bed, separate bathroom and toilet as well as a lounge with fireplace. The upper floor of the duplex has a single room with access to a spacious private terrace overlooking the kasbah and the oasis. The Duplex suites offer privacy and comfort.
